

The "Momentum for Philanthropy" competition is open!

The purpose of the competition is to help us better understand the range and scope of giving within the Palestinian community worldwide, and at the same time to promote an image of Palestinians as givers. In this way, we hope to encourage discussion about how we can increase Palestinian self-reliance by better using resources within the global Palestinian community.

Submit your examples of philanthropy in the form of short stories, poems, photographs, songs or videos and you may win 1000\$ cash prize. Full contest details are available at www.dalia.ps or by calling +970-2-298-9121.

The deadline is due to 25/7/2012- Please send your application to palgiving@dalia.ps
